

Puppy Questionnaire

Blue Mountain Icelandics

2625 Strand Ave
Missoula, MT 59804

The following questions are being asked of you in order to bring the various needs of both the puppy and his or her new owners into perspective. This ensures that our best effort will be made to match the right puppy with the right family. Hopefully, you will agree that the animal's welfare must be the foremost consideration in a placement. We ask all our prospective families to complete a questionnaire to help give us the best chance of providing you with the most appropriate life long (12-15 years) companion.
